Kate Smith, the singer, is an authority on whales, I discovered this week.

In a magazine article, Kate claims that a crewman was washed overboard from the whaler Star of the East in 1891 and later turned up, miraculously alive, in the stomach of a harpooned whale.

Me, I'm a skeptic. I ain't never been et by a whale, naturally, and have no first-hand knowledge of such goings-on. But maybe some of our Point Loma fishermen have opinions on the subject.

A good sportfishing story popped up over the weekend. It seems that a fella named Johnson, from Puente, lost his rod and reel overboard from the Betty Lou.

They rigged up a three-hook jig and Johnson, grappling for his lost outfit, got a heavy strike. He fought the fish for 10 minutes and then turned him over to Jack Vance, skipper of the Betty Lou. After two hours a black sea bass was brought to gaff and then towed into port.

The weight: 362 pounds.

Yeah, and a 26-foot sailboat collided with an aircraft carrier off Ballast Point.

The quartet aboard the sailboat jumped into the water and were fished out unhurt.

Personally, I have no hankering to tangle with an aircraft carrier . . . They look fairly formidable from my window a couple of miles distant, and that's close enough, brother.

When we lived on Orchard Ave. a few years ago, the boy next door was Rudy Thompson. He was graduated by Point Loma High in 1947.

The New York Times of June 12 carried news of him under the head "Caribbean Sail." The story, from Fort-De-France, Martinique, was all about the Caribbean sailing craft which serve mainland tourists.

Rudy Thompson's 38-foot ketch, the Windsong, was on a six-week cruise from Trinidad to Puerto Rico with a party of four, it was said.

His mother, Mrs. M. E. Gulley, resides at 1247 Moana Dr.

The Peninsula News this week received a "Report of Operations, 1954, to the Saudi Arab Government by the Arabian American Oil Company."

This large, profusely-illustrated 122-page booklet is printed in both English and Arabic. Ninety thousand copies were printed.

Production of crude oil in 1954 totaled 347,844,850 barrels the report stated.

Anybody who can read crude or fancy Arabic is welcome to peruse it further.

SUMMER CAMPS FOR FAMILIES START JULY 20

The first of six summer family camps will begin Wednesday, July 20, at Palomar Mountain Camp.

Sponsored by the City and County of San Diego and administered by the City-County Camp Commission, the sixth annual Family Camp provides ideal facilities for fun and relaxation for all—mother, dad, and the children. Harry L. Bryce, summer camp director, has many years of experience in the field of family camping.

Reservations are available for the first session which runs from Wednesday, July 20, through Sunday, July 24. Other camp dates are July 27-31, August 3-7, August 10-14, August 17-21, and August 24-28. Rates are $18 for adults and $9 for children under 14. There is no charge for babies less than a year old.

Palomar State Park

The camp is located in beautiful Palomar State Park, 10 miles from the world-famous observatory. Doane Lake, within the campgrounds, is well stocked with trout and usually is surrounded by a number of fishing enthusiasts.

Other activities are planned to meet the needs of each member of the family—hiking, games, square dancing, campfires, and many others. Experienced teacher-counselors on the Family Camp staff conduct special activities for the children, giving the parents an opportunity to enjoy the sidelights of the camp.

Families are housed separately in large floored tents equipped with comfortable beds, electricity, and heaters. All meals are prepared by the camp chef and served "family style" in the large dining hall.

HOUSEWARMING SUNDAY

Mr. and Mrs. Fred Crivello, formerly of 4845 Lotus St., were given a housewarming in their new home in Imig Park Sunday by members of Bethany Lutheran Church, of which they are active members. About 25 Bethany members were present.

EXPO-COUNTY FAIR PREPARES FOR LARGE WEEKEND CROWDS

DEL MAR—The Southern California Exposition and Sas Diego County Fair is preparing for its largest crowds on the July 4 weekend, starting Friday, July 1.

This same weekend last year, nearly 75,000 persons streamed through the gates over the three-day holiday.

For fair-goers it will be an action-packed weekend with more programs and special events on the agenda than one person could possibly get around to seeing.

One of the outstanding highlights will be the Aut Swenson Auto Thrillcade—starring a great congress of skilled precision and death-defying drivers in a blazing spectacle of flames, speed and comedy. Shows are scheduled Saturday and Sunday, afternoon and evening.

Dancing Waters

Dancing Waters is back by popular demand. This colorful extravaganza of lights, water and music is shown nightly each half hour beginning at 8:30.

The Don Diego Super Circus is delighting both the young and the young in heart. It stars Cheeta the chimp, the Happy Hounds the Barrets, Kayletta and Fine and Dandy.

Saturday and Sunday, a national horse show will be held. For the first time in several years the show is held as a night attraction.

Veteran auto races—always a thriller at the exposition—will be presented Sunday and Monday at 5:15 p.m. in front of the grandstand. Vehicles vieing for top time around the track will be, among others, a 1910 Pope Hartford, 1909 Mercedes, 1910 Simplex, 1912 Benz and a 1914 Ford.

On the Community Stage at 7:30, Saturday, Sunday and Monday nights, there will be an exhibition of judo and ju-jitsu—originally an Oriental art that has been adapted for use by our armed forces for close in-fighting.

Fireworks Monday

Monday night, last night of the 16th annual exposition, the skies will become a blaze of glory as hundreds of fireworks are set off at 9:45 in front of the grandstand.

All attractions on the 265-acre grounds are free with the exception of rides and sideshows on the midway and rides in kiddieland.

Other entertainment included in the 85 cent admission charge for adults and 25 cent price for children will consist in part of a hobby show, festival of flowers, preview of progress, livestock show, junior fair, art show, armed forces displays, womans world, tropical fish exhibit, photography, gems and minerals, commercial exhibits. Bozo, the fabulous balloon blowing clown will be on hand to delight and amaze the youngsters.

"Fairest of the Fair" Gay Cowie, with her escort, Don Diego, is on the grounds to greet weekend visitors.

O. K. Kiwanis Club

Official action was taken by O. B. Kiwanis Club's board of directors and membership Tuesday night in adopting a resolution urging the Federal Government to do everything possible to aid the local tuna industry..

Previously, the club's membership had taken informal action.

Dr. J. B. Askew, city-county health director, spoke on the Salk vaccine is applied to San Diego County. Dr. Alfred Sand was program chairman, and Harry Masters received an 11-year perfect attendance pin.

Local Woman On CFWC Board

Mrs. Fred Curtis Thompson, 2029 Sunset Cliffs Blvd., was appointed to the state board of the California Federation of Women's Clubs at an executive session held last week in Berkeley, Calif.

The appointment was made by Mrs. Gerald Whitaker, newly elected state president. Mrs. Thompson will serve as library and Epsilon Sigma Omicron chairman.

Mrs. Thompson is immediate past president of the Ocean Beach Women's Club.

O. B. SOFTBALL LEAGUE

All men interested in an Ocean Beach softball league are asked to meet Friday, July 1 at 7 p.m. at the ball field, according to announcement by O. B. Community Center.

EDWARD K. MADRUGA, son of Mr. and Mrs. Manuel S. Madruga, of 3212 Hugo St., received his Bachelor of Laws degree at the June graduation exercises of Loyola University, Los Angeles. Madruga, a graduate of Brown Military Academy and USC, is affiliated with Phi Sigma Kappa and Phi Delta Phi fraternities. He plans to practice law in San Diego.

M.B. Channel Reopening 'To Aid Park'

Official reopening of Mission Bay channel to navigation July 24 will expedite Mission Bay development, Mayor Charles Dail said Friday at a luncheon meeting sponsored by the San Diego Chamber of Commerce. The meeting for press and radio representatives was held at the Bahia.

Reopening of the channel,, declared unsafe to navigation in 1951, has been made possible by dredging started by Army engineers early this year. The channel will be 750 feet wide and 20 feet deep at mean low tide.

Dail also said the development will attract more tourists to the area, but much work remains to be done, especially in securing financial support.

Rep. Bob Wilson will be a speaker at the opening ceremonies. Gov. Knight also is expected to make an address.

The Ocean Beach Chamber of Commerce will participate in the festival ceremonies which will center at Tierra del Fuego, according to Harry La Dou, president.

Mayor Dail Asks Highway Caution

Mayor Charles C. Dail had this comment today for holiday-bound Fourth of July motorists:

"On Lexington Green, 180 years ago, seven American minutemen lost their lives—in a fight for independence. This weekend almost that same number will probably die every hour—in Independence Day weekend auto accidents."

The mayor asked holiday drivers to heed the following Fourth of July safety suggestions from the Automobile Club of America:

1. Don't speed—unless you're in a hurry to commit suicide, and perhaps homiside as well.
2. Don't attempt to make a long trip non-stop. A stop every couple of hours for coffee will revive your reflexes and take the tension off both you and your passengers.
3. Don't cut in and out—unless you want to beat the fellow ahead to one of the local cemeteries (ever notice how many there are along most highways?)
4. Don't drive late into the night to make time—unless you reserve your hospital room in advance.

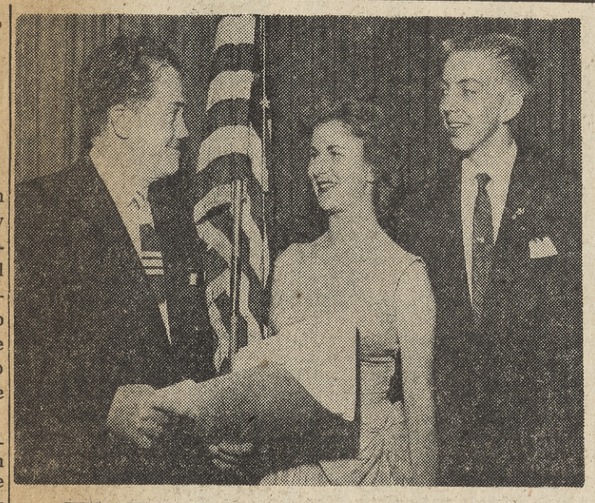
Teaching Given Legal Status Of Profession

SAN FRANCISCO—With the signing of the Dilworth tenure bill by Governor Goodwin Knight, the legal status of a profession was given to teaching for the first time in American history, according to a statement made by Arthur F. Corey, executive secretary of the California Teachers Association.

The Dilworth bill provides that the findings of a panel of educators, composed of representatives of a statewide professional educational association, may be accepted as court evidence in a contested teacher dismissal case involvingg competency or fitness.

"The Dilworth bill," Corey said, "is really the outgrowth of a number of years of experimentation by the CTA in a plan to cloak the teaching profession in California with self-disciplinary authority similar to that in the legal and medical professions. Our goals have been two-fold: first, to protect competent teachers from unjust dismissal, and second, to assist whenever possible in removing the few teachers who might be judged incompetent.

"During the past eight years," Corey continued, "the CTA has maintained a State Ethics Commission and Section Ethics Commissions which have conducted investigations in dispute dismissal cases. By making the reports of such commissions admissible as legal evidence, the Dilworth bill gives the court the right to recognize teachers themselves as the experts when it comes to a determination of teaching competence."



WINNERS—Mayor Charles C. Dail is discussing the winning essays of Linda Cowie and Bill Lockett, Point Loma High School second and third-place winners of the San Diego County Masonic Officers' Association high school essay contest.—S. D. City Schools photo.

LOMANS WIN ESSAY AWARDS

Two 11th-grade Point Loma High school students won second- and third-place awards in the San Diego County Masonic Officers' Association annual high school essay contest.

Writing on the subject, "The Free Public Schoo.—An American Heritage," Linda Cowie won a $25 U. S. Savings Bond, and Bill Lockett won $10 in cash. The awards were presented by Mayor Charles Dail in his Civic Center office.

The contest is sponsored annually in connection with the observance of Public Schools Week. Also present for the award ceremony were George K. Palmer, representing the Public Schools Week Committee of the California Grand Lodge of Masons; Darrel Collins, president of the San Diego County Masonic Officers' Association; and Dr. George Geyer, associate superintendent of schools.

First-place award, a $50 U. S. Savings Bond, went to Astrid Erickson, San Diego High 11th-grade student; and honorable mention went to Gretchen Thompson, Hoover High 10th-grade student.

Grace Pischner Heads Art Center

Grace Pischner, local artist, was elected president of the Spanish Village Art Center, Balboa Park, at its annual membership meeting Sunday in the Mineral and Gem Society Bldg. at the Village.

Other officers were elected, as follows: Kay Thomas, vice president; Dorothy Clifford, recording secretary; Dave Bash, corresponding secretary; Ellen Stratton, treasurer; and George Hanmore, Nancy Gay, Gary Prible and Les Burns, board members.

The outgoing president, Dorothy Wright, was presented with a pin and plaque by the membership in recognition of her outstanding work in promoting art, not only in the Spanish Village but throughout San Diego County.

BOY SCOUTS SELLING FLAGS FOR FOURTH

Boy Scouts of Troop 228, raising money for their uniforms, are selling flags for homes to display on the Fourth of July, according to Ray Perine, chairman.

"In order to show your colors on the Fourth," he said, 'call LeRoy Bonham, scoutmaster, AC-3-7331. Boy Scouts also are making a house-to-house canvass. All flags are delivered C.O.D."

Chamber Requests Power Pole Here

Request that the City install "a permanent lighted power pole" in the center of the municipal parking lot at the foot of Newport Ave., has been made by the Ocean Beach Chamber of Commerce, according to President Harry La Dou.

The annual Daz-O-Fun Fiesta will be held Aug. 19-21, and "it is believed a lighted pole at this location would greatly improve the lighting conditions for the many booths which are installed each year," La Dou stated in a letter to E. W. Blom, assistant city manager.

ANITA CLUB PARTY

A party at the Mission Valley Country Club was given Wednesday evening by members of the Anita Club. Mrs. Louis Capello, chairman, was assisted by Mrs. A. Masciantonio and Mrs. Robert Hoyle. A rummage sale is scheduled for July.

BRIDGE SCORES

Ocean Beach Community Bridge scores for the game of June 22 were announced as follows: East-West, High Over All, Florence Jackson and Marge Sites; second, Mr. and Mrs. Philip Shunk; third, Mr. and Mrs. Emil Anderson. North-South, first, Lawrence Kelner and Al Nippell; second, Stella Christy and Jonnie Lewin; third, Mr. Sites and Mr. DeLane.

OCEAN BEACH MERCHANTS WIN FIRST ROUND IN PONY LEAGUE

First round honors of the Ocean Beach Pony League's 1955 season were won by the O. B. Merchants, coached by Fred Rosso.

The Merchants had an eight won and four lost record, two games ahead of second-place 7 Up. This qualified the Merchants to enter the season's championship playoff with whatever team wins the second round.

The 7 Up Team had a big chance to pull themselves up into a first place tie with the Merchants in the final game of the first round. The 7 Uppers had a 3 to 0 lead over the Merchants going into the sixth inning, but the Merchants proceeded to show their mettle by staging a six run rally which was enough to win, 6 to 4..

Tommy Ruckle's three-run homer over the right field fence capped the rally. Tommy Reiter, wso succeeded Don Willardson on the mound was the winning pitcher, while Dave Kidwell of 7 Up was the loser.

Fleetridge Realty and the Ocean Beach Service Clubs wound up in a third place tie with identical 5 wins and 7 losses to their credit. The Service Clubers put on a Merriwell finish in the late stages of the first round and it was the victory over the Realtors in their last game that pulled them up to the third place tie. With a few breaks their way, the Service Clubbers will be tough contenders in the second round just getting under way this past week.

In an amusing coincidence, the teams winning their final game of the first round, lost their first game of the second round. The Merchants beat 7 Up in the last game of the first round but lost to the Fleetridge Realtors, 6 to 4, in their initial game of the second round.

Also, the Service Club team which beat Fleetridge in the last game of the first round, lost to 7 Up, 8 to 4, in their opening effort of the second round.

Those were the games played last Saturday afternoon featuring the regularly scheduled double headers of each week. Billy Fontana of 7 Up hit a two run homer in the second game of the day, running his season's total to four.

The big excitement this week will be selection of the league's All-Star team by the coaches. This team will enter the district playoffs for the right to represent San Diego in the regional and national championships later.

O.B. Chamber Requests Plan To Develop Beach

With the local beach now being filled in with sand from the Mission Bay channel dredging, the Ocean Beach Chamber of Commerce has asked the City of San Diego to make preliminary studies for the future development of the beach.

Such development would include a playground, approaches to the beach, restrooms, and zoning for proper development of adjacent business property, according to Harry La Dou, Chamber president.

La Dou and members of the Chamber's Beach Improvement Committee, including Bill Knopp, chairman; Dr. S. Kuntz and Dave Pain, met recently with Glenn Rick, City planning director, and Leo Calland, director of parks and recreation.

"They were interested in a master plan for the local beach," said La Dou, "and asked us to send a formal request for preliminary studies. This has been done—the City Planning Department was asked to prepare preliminary sketches which may be submitted to the Chamber for evaluation."

While sand was being pumped onto the beach at the foot of Newport Ave. this week, construction was proceeding on the rock groin at the foot of Cape May Ave., designed to hold the sand in place. The 530-foot groin will extend almost due west into the ocean.

Repairing erosion damage, the beach already has been built up with sand fill extending from the Silver Spray Hotel northward almost to Newport.

Future development of the beach would be both north and south of the rock groin at the foot of Cape May Ave., according to La Dou.

New Scout Troop Sponsored By O. B. Kiwanis Club

Organization of the new Boy Scout Troop 228 was sponsored by Ocean Beach Kiwanis Club June 22 at the Kiwanis Youth Building.

Installed were LeRoy Bonham, scoutmaster; Charles Allen and Charles Forsen, assistant scoutmasters; Gene Ridpath, chairman; and L. L. Devore, Dr. Winton Oster, Dr. Merrill Harrington and William Lucido, committeemen.

Don Pollock, representing the Kiwanis Club, received the club's copy of the troop's charter from Chairman Ray Perine. Explorer Post 228 (also ready to charter) presented the flag ceremony and pledge of allegiance, and instructed the new Scouts in rope-tying and games.

Charter Members

Charter member Scouts are Billy Oster, Hank Bonham, Merrill Harrington Jr. and Billy Lucido Jr. Charles Donnelly, Star Scout, will be senior patrol leader, and Billy Oster temporary scribe.

Six Webolos from Pack 228 were present, eager to learn what they must do to become a Scout in the new troop. After a brief talk by Scoutmaster Bonham, they cut the cake for the success of the troop.

Ocean Beach Kiwanis Club now has five units in Scouting—Cub Packs 228 and 28, Boy Scout Troops 228 and 28, and Explorer Post 228.

Harry Heneke represented the North Shore District. Ray Perine, Boy Scouts chairman for the O. B Kiwanis Club, was instrumental in chartering the new troop.

O. B. FRIENDLY CLUB

Ocean Beach Friendly Club will meet Monday, July 11 at the Community Center. No meeting will be held Monday, July 4. The club has scheduled a picnic for Monday, July 18 at Presidio Park.

ORDER OF AMARANTH

Pacific Beach Court No. 104, Order of the Amaranth, will meet Friday, July 1, at 8 p.m., at the Point Loma Masonic Temple, 1711 Sunset Cliffs Blvd.

Assistant grand lecturer, Honored Lady Wanda E. Burke will make her official visit. Royal Matron June Buirch and Royal Patron Charles H. Ludlow will preside. Honored Lady Dorothy Davis will chairman the after court party.

LITTLE LEAGUE

Kiwanis defeated Rotary 4 to 3 in seven innings Saturday for its seventh straight victory, thus clinching the first half of the Point Loma Little League's split season.

Second-place battle between De Falco's and Optimist probably will not be settled until the final game of the first round July 9. The Optimists are in second place with 4 wins and 3 losses, while De Falco's has a 3 and 4 record. The Optimists defeated De Falco's 3 to 1 Saturday.

In the first game, Pat Edwards and Lnn Kemp were the big hitters for Rotary.

No games will be played Saturday, July 2. The league resumes action July 9.

Expert Offers Safety Rules For Skin Diving

The main requirements for skin diving are a healthy body, a sound heart ,and a willingness to endure a little discomfort for a lot of recreation, according to an article, "How to Enjoy Skin Diving," in the July issue of Popular Science Monthly.

The author, Homer J. Lockwood, admits that a few misadventures he has had, such as being bitten by an octopus, were "my own darn fault." He points out that "the sport is safe if you obey a few simple rules."

Use A Float

Top on his list of safety rules is to have a float along at all times. This, he says, can be an inflated innertube, a one-man life raft or an inflatable preserver. Even with this precaution, he warns, "Never dive alone. Take along a buddy to watch while you dive and dive while you watch."

Among his "don't" are: never get overly cold or tired; never dive when you have a cold; forego the sport if you have sinus trouble, a heart condition, or punctured eardrums.

Spear and Camera

Mr. Lockwood, whose hobby combines spear-fishing with underwater photography, also points out how to avoid trouble with some denizens of the deep, such as moray eels, sting rays and sea urchins.

The author, a 46-year-old plant superintendent in Los Angeles, is president of the California Council of Diving Clubs, representing 40 organized clubs, and reported to have 100,000 skin-diving enthusasts.

LESTER HUSBANDS

O. B. Lions Club

Lester Husbands recently was installed president of the Ocean Beach Lions Club. He succeeds George Celeste.

Other officers seated were: William Bradshaw, secretary; Tom Arnold, treasurer; James Stewart, first vice-president; Charles Edwards, second vice-president; Jules Joniaux, tail twister; Richard Larsen, lion-tamer.

Members of the board of directors include Richard Hake, John Kerr, Leonard Van Stelle and August Balistreri.

Children's Class During Summer At Trinity Church

A confirmation class to be held during the summer is being scheduled for Saturday mornings at Trinity Episcopal Church, Ocean Beach. The class will be conducted by the Rev. John R. Nicholson, and is open to young people between the ages of 11½ and 16 who are desirous of confirmation. Registration for this session will be held Saturday, July 9 at 10 a.m. at the church, 2083 Sunset Cliffs Blvd. Any confirmed young person wishing to attend the classes as a refresher is invited to attend.

Following is the schedule of services announced for the week beginning Sunday, July 3:

Three services of the Holy Eucharist will be held at 7:30, 9 and 11 a.m., the Fourth Sunday after Trinity. The Family Service is at the nine o'clock hour and the 11 o'clock service will include a sermon by Father Nicholson. Nursery service is provided for both of these hours. The Young People's Fellowship will meet at 7 o'clock Sunday evening at the church.

Monday, July 4, a celebration of the Eucharist is scheduled for 9:30 a.m.

Wednesday, July 6, the 9:30 celebration of the Holy Eucharist will be followed at 12 noon by a luncheon meeting of St. Anne's Woman's Auxiliary. The meeting will be held at the home of Mrs. Mabel Webber, 1821 Cable St.

The Inquirer's Class, usually held Friday evenings, has been cancelled during the summer months.

Peninsula Couple United In Marriage

Miss Ann Bartlett Mozingo, daughter of Mrs. Earl R. Hobbs, and J. Neal Miller, son of Mrs. C. Vernon Siddens, all of the Peninsula area, were united in marriage in an informal nuptial service solemnized at 1 o'clock, June 19, in the Pacific Portal Community (U.P.) Church, Rev. Clark W. Plummer, officiating.

The bride, who was given in marriage by Donald B. Gordon, wore a baby-blue linen suit, with white hat and accessories, and a corsage of gardenias and pink rose buds.

Mrs. Lottie Magnusson, church organist, played traditional wedding music, and Miss Karen Castle sang, "O Perfect Love".

The couple was unattended.

A reception for 50 guests was held in the home of the bride's mother.

Mr. Miller is an apprentice dental technician in San Diego. They are now at home at 4156 Whittier St.

MULLING WITH MULLER

By Edna M. Muller

Wonder if you too feel a sense of amazement when you read an article, such as I did today, on a new device that's been developed to detect some of the heart's faintest sounds. The Electro Stethograph, as it is called, can discern sounds, which up until now, could not be heard by the human ear nor a physician's stethoscope! I always thought the medical profession and car manufacturers were literally worlds apart. Shows how wrong I can be! This new device was developed by the joint cooperation of South Carolina's medical college and the GM Research Laboratories through an instrument used in machine shops and assembly plants, the Surfagage, which measures roughness of highly machined auto parts. By mating part of a stethoscope with the supersensitive pickup of the Surfagage, the Stethograph was born. It's expected that the Stethograph will provide new clues to the heart's behavior — and maybe a longer life expectancy for heart sufferers because of earlier detection. Never realized before how delicate some parts of a car must be — or is my heart a lot bigger and stronger than I thought!

Now It's Easy To Be A Major Leaguer

Win or lose, there's always plenty to smile about when the first inning of an after-the-game feast stars the great favorites of every little leaguer . . . ice cream with chocolate sauce and smothered in candy-coated puffed wheat, more widely known as Sugar Crisp.

Say tho', hold on a minute! What's that on the table—major league emblems? Sure! This lad has a complete set of 14 major league baseball "coat of arms", and he got them all at once by saving twenty-five cents and two box tops from the favorite cereal he's pouring here.

Now every young boy's dream of wearing a major league baseball emblem can come true immediately. Getting two cereal box tops takes no time at all, especially when the whole family gobbles up that candy-coated puffed wheat as an in-between meal snack as well as at breakfast time. These colorful crests are extremely easy to attach to all sorts of things . . . baseball suits, sweaters, closet doors or walls. They require no sewing (that's good for you, Mom); just place their adhesive back to the surface of whatever you want them to stick on.

Order a set today (the wrapper on the box will give full details as to "how"), and then be sure to try a Sugar Crisp topping over ice cream, puddings, baked custards or fresh, canned or stewed fruits. It makes a real dilly of a topping for those quick after-the-game party desserts.

Exams Announced For 3 Academies

U. S. Senator Thomas H. Kuchel announced this week that he will have vacancies to fill in all three defense service academies in the class entering in 1956.

The civil service examinations, on which Senator Kuchel bases his nominations, will be held in various California cities and towns July 11. Youths desring to take the test should communicate with the Senator's office without delay so that necessary forms can be sent them on which to gain entrance to the examinations.

The Senator's allotment of nominations comprises two to the Military Academy at West Point, one to the Naval Academy at Annapolis, and 10 to the Air Force Academy in Colorado.

Candidates must be between the ages of 17 and 22 on July 1, 1956.

A display of old coins will be a feature attraction at the Southern California Exposition & County Fair at Del Mar, June 24 through July 4. This exhibit will be in the Gems & Minerals department in the new clubhouse addition.

HEALTH FOR ALL

Do Junior's questions about everything under the sun—and in outer space, too—baffle you? Have you, secretly of course, asked the question, "Are the kids today smarter than in my day?"

There is some evidence that all those vitamins we take are increasing the intelligence of the younger generation, and making life tougher for parents. Recent experiments seem to show that extra vitamins taken by mothers during pregnancy and nursing may increase the I. Q. of their children. Some 2,400 expectant mothers took part in a test conducted by Teachers College, Columbia University. Some of the mothers got extra vitamin C, some got B vitamins, and others were given placebos or "duds" containing no vitamins.

Four-Year-Olds Tested

At the age of four the children were tested by psychologists and all the "vitaminized" children surpassed the placebo group b. an average of 5.2 in intelligence quotient.

The best response to vitamins was in city tenement families where the regular diet may have been below normal. So, the test doesn't prove conclusively that mothers who regularly get in their diets the recommended amount of vitamins can improve their children's I. Q. by taking extra vitamins. But is certainly shows how important a proper diet is to the expectant mother.

Maybe a mother can't guarantee a great brain for her child by getting plenty of vitamins during pregnancy and nursing. But there is much she can do to give him the best possible chance for a healthy, vigorous body and mind. The diet should include plenty of milk, citrus fruits, leafy green vegetables, protein rich foods such as meat and eggs, and whatever vitamin supplements the doctor recommends.

To solve the problem of Junior's bright questions? Better keep the encyclopedia handy.

Baby sitter—yes there are plenty advertised in the classified pages.

LONE GRADUATE GETS DIPLOMA

This is probably the nation's smallest high school graduating class, consisting of one boy—Tom Groves, 17, shown receiving his degree at Boys Republic, Calif. Presenting the diploma is Chalmers L. McGaughey, president of the board of trustees of Boys Republic. Tom, also the mayor of Boys Republic, happened to be the only senior among students at the unusual school for teen-agers.

Lenore Scott, Paul Bartley Are Married

Mr. and Mrs. W. E. Scott announce the marriage of their daughter, Lenore, to Paul Bartley, son of Mr. and Mrs. J. L. Bartley, on June 18 at the home of the bride at 4622 Larkspur St. The Rev. William L. Bolton officiated.

The bride was attended by Cynthia Blouin as maid of honor. Bobby Acker served as best man.

The groom is a graduate of Point Loma High School. The couple will live at 3722 Dove St.

Del Mar Announces Racing Officials

DEL MAR—Racing officials for the sixteenth summer season at Del Mar by-the-sea, opening July 27, were announced this week by President and General Manager Donald B. Smith. The list has been submitted to the California Horse Racing Board for approval.

Wendell P. Cassidy returns to the turf-surf course after a year's absence as the presiding steward. James J. Tunney will be his associate in the stand, with W. C. Buchanan as the steward representing the C. H. R. R.

The post of racing secretary and handicapper will again be filled by John R. Maluvius, assisted by Herman Sharpe and Jack P. Meyers. All have been Del Mar regulars for several seasons.

Raymond Tremayne, Andrew Ferguson, Lawrence McDermott and Robert McRoberts will serve as paddock and field judges, with George C. Zarelli, John Hartley, and Meyers as placing judges.

Veteran William R. Mills returns as the starter, Robert V. Rossi as clerk of the scales, and R. F. Brown as official timer.

Dr. L. J. Cook will be back as track veterinarian and Dr. H. C. McKim will be the veterinarian representing the racing board.

Bridal Shower For Shirlee Miller

Thirty-five guests enjoyed the June bridal shower for Miss Shirlee Miller in the dining hall at Point Loma Methodist Church.. She will become the bride of Charles Foster at a wedding in the church July 27.

The shower was given by Mrs. Lila Beck, Mrs. Willamay Graham, Mrs. Millie Sandiford and Mrs. Fran Hall.

Decorations were of pink nytractive cake, centered by a doll lon net with rosebuds. An atand forming the dress of the miniature bride-to-be, was an addition to the decorations. The all-white cake was trimmed with yellow and pink roses.

Pink and red carnation corsages were worn by the honoree and her mother, presented by Mrs. Millie Sandiford.

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

Readers ask "Just what is U. S. foreign economic policy?"

* * *

A good question. A Washington bureaucrat would say something along this line: "U. S. foreign economic policy is integrating multitudinous multilateral ramifications toward overall containment." Others express it inelegantly as follows: "If there is a policy, it's akin to a rabid dog chasing his tail."

C. W. Harder

* * *

At last year's end ex-Budget Director Joseph Dodge was ordered to set up Council on Foreign Economic Policy including Secretaries of Commerce, Treasury and Agriculture, as well as State Secretary, and world's best known Santa Claus, Harold Stassen, head of foreign give-away program.

* * *

With this last fact in mind, government import-export figures for 1954 are interesting. U. S. imported $10 billion worth of goods, exported $15 billion. This unbalance of exports over imports is what so-called experts worry about.

* * *

Yet these U. S. export figures include as normal trade all billions given away in various aid programs, including military aid.

* * *

Almost third of U. S. imports were coffee, cocoa, cane sugar. Another big import item was oil, a large part cheap Venezuela fuel oil which has supplanted U. S. coal in U. S. industries.

* * *

To offset this, and alleviate coal field unemployment, nation is shipping gifts of coal to Europe. For example, on recent day Yugoslavia was given $3,600,000 worth of coal by FOA, plus $3,840,000 to transport it there.

So government is proceeding on basis there is no difference between U. S. goods sold abroad, and those given away. And thus thinking prevails U. S. must restore "trade" balance by taking in as much goods as U.S. sells abroad, plus what it gives away.

* * *

This prompts wonder if entire world can produce fast enough to keep up with billions American bureaucrats can give away. Of course argument is advanced nation is making great strides by cutting communist nations off from world trade.

* * *

Yet figures show from 1950 to 1954 free world jumped sales to communist nations from $1½ billion to almost $1¾ billion, while they in turn sold free nations goods within $10 million of that mark. Such facts undoubtedly prompted Sen. William Knowland to call for a blockade of Red China.

* * *

So question becomes "What has been accomplished in last ten years by one foreign economic policy after another, hectically conceived, and clamped onto U. S." That is why repeatedly in polls conducted by the National Federation of Independent Business, overwhelming majority of nation's independent business have voted to stop all foreign plans, thus permit situation to clear. Obviously, no sensible analysis can be made of the potential of any kind of trade as long as free goods are thrown in.

* * *

With wisdom engendered by the hard lessons learned through trading on Main Street, these businessmen know it is impossible to daily jump into a new fire sale and know where you are heading. Some feel it unfortunate that instead of appearing at every rural railroad crossing, Pennsylvania and Constitution Avenues are not lined with familiar X shaped sign inscribed "Stop, Look and Listen."

Right-of-Way Violations Serious

'Some motorists and pedestrians in the San Diego area are failing to fully accept their responsibilities regarding right-of-way in traffic," Captain H. W. Clodfelter, Commander of the San Diego Office of the California Highway Patrol, said recently.

To emphasize the seriousness of the situation, Captain Clodfelter said 46 persons had been killed and 825 injured in traffic accidents in this area this year. He pointed out that in one out of every six accidents a right-of-way violation caused the crash.

Right-of-way violations causing these deaths and injuries are deliberate in many instances and can be avoided in practically every case. Motorists and pedestrians must be willing to give, not grab, the right-of-way," Clodfelter said.

"Possibly emphasis on the dangers of speed and drunk driving as accident causes has led to underrate the seriousness of right-of-way violations in provoking traffic accidents.

"At any rate, we intend to continue watching the right-of-way accident picture in this area and take all necessary steps to curtail these violations."

A championship rodeo, featuring world-famous Carolina Cotton, will be a headline attraction at the Southern California Exposition and County Fair, June 24 through 26.

Tips on Touring

By Carol Lane

Women's Travel Authority

Want a steer in the right direction when you head your car out of the family garage on this summer's motor trips? You'll find lots of good help in a recently-published book.

This book, entitled "Handbook for the Woman Driver," was written by the well-known automotive editor and car manufacturers' consultant, Charlotte Montgomery. It was published by the Vanguard Press.

Since Mrs. Montgomery is as interested as I in helping make car travel more pleasant and practical, I am happy to recommend her book to America's women drivers. It is crammed with useful, informative and readable data on every conceivable subject concerning milady and her car.

Mrs. Montgomery is no armchair motorist. She is a seasoned practitioner of the art, who has been driving since she was 16. This book brings together the wealth of experience she has gained as an everyday driver, as an editor writing for women about cars and as an avid student in the fields of automobile engineering, mechanics and operation. Her purpose in writing her "Handbook for the Woman Driver" is to give you "more confidence as a driver, make you want to spend still more pleasant hours in your car and answer your everyday questions about everyday driving."

If you want to know more about car care, comfort or safety, you'll find these subjects carefully and fully covered. If you're looking for more specialized information, Mrs. Montgomery includes that, too, particularly in her chapters on what to do in an emergency, the how and why of car insurance, how to rent a car and what to look for in buying a car.

You'll enjoy reading Mrs. Montgomery's book, and you'll want to keep it handy as a reference.

'The Rainmaker' Opens At L. J.

La Jolla Playhouse began its ninth season of professional summer theatre in a cloudburst of fun Tuesday night with the presentation of N. Richard Nash's delightful romantic comedy "The Rainmaker."

and TV star Teresa Wright. gaiety are: lovely motion picture

Responsible for the fun and James Whitmore, Lee Marvin, James Dobson, Fay Roope, Scott Forbes and William Challee, whose faces and talents are familiar to movie fans and TV viewers. Direction is under the able and versatile guidance of Norman Lloyd, who has been responsible for so many Playhouse favorites of recent years.

Three Sets Within One

Adding greatly to the pleasure of the opening night audience was the romantic but realistic set, designed and lighted by John Blankenchip. Actually three sets within one, the effect of playing in three different scenes is accomplished by a clever arrangement of pivoting flats worked in conjunction with controlled lighting, thereby obviating the necessity of lowering the curtain between scenes.

"The Rainmaker" was inspired by San Diego County's own legendary story of Hatfield, the rainmaker. It opened in New York last October and was one of the hits of the Broadway season. The La Jolla production will run through July 10.

Meanwhile, rehearsals have already begun in Beverly Hills for the second production of the season, the world premiere of D. N. Roman's new comedy "Native Uprising," starring Howard Duff. Duff and the cast will move to La Jolla this weekend for a ten-day rehearsal prior to opening July 12th.

Robert Shaw Begins Conferences Preparing For Symphony Season

Robert Shaw, the San Diego Symphony's conductor and musical director, arrived in San Diego last week and immediately began a series of conferences with local union and symphony association officials, preparatory to the summer concert series beginning July 12.

Shaw came from San Francisco where he had conducted a 1700 voice choir representing all faiths in conjunction with the opening of the United Nations conference there. The San Francisco Council of Churches had invited Shaw to conduct the Festival of Faith in which Moselem, Buddhista and Hebrew, as well as Christian holy music, signalled the beginnig of the conference.

Glad To Be Back

"San Diego is my summer home," shaw said, and "each year it is an increasing pleasure to return, renew old friendships, and watch and participate in the gradual formation of a real musical program here."

Shaw was enthusiastic about San Diego's newly organized Summer Festival, and congratulated the San Diego Convention and Tourist Bureau on its work. There is no reason, he said, why San Diego cannot offer a summer program, balanced among the various arts and unrivalled in the nation, in only a few short years.

Symphony programs will be held each Tuesday night beginning July 12, in the Balboa Park Bowl at 8:30 p.m. First concert scheduled will feature Robert Gerle, symphony concert master, in Vivaldi's Season and will also present an original commissioned work, "The Epilogue to Julius Caesar," by Robert Kurka.

Other concerts scheduled for succeeding weeks will present as guest artists, Benny Goodman, soprano Margaret Harshaw, pianist Rudolf Serkin, Lukas Foss and Ferde Grofe in a season's end and bonus concert

Shaw's summer program also includes the presentation of three more serious chamber music concerts at the Roosevelt Jr. High School Auditorium on Friday evening, July 15 and 29 and August 12. Final chamber music presentation will be St. Matthew's Passion for which Shaw recently received an Honorary Doctorate of Arts from St. Lawrence University, Canton, N. Y.

In addition, Shaw will direct the workshop in choral arts at San Diego State College which annually recruits choral directors from all over the United States. Shaw's headquarters in San Diego will be at 5707 Hardy Avenue.

Boating Accidents Can Be Avoided

With the summer angling season in full swing and thousands of persons planning to do their fishing from boats, the State Department of Fish and Game has listed a few common sense precautions which should prevent most boating accidents.

1. Avoid overloading boats. Small boats are particularly unwieldy when overloaded. A good rule is only three persons in boats less than 14 feet long.
2. Never stand up in a small boat.
3. Avoid fast water, riffles and whirlpool areas. Stay away from dams, pilings, large rocks and trees when in fast water. Any boat forced against an obstruction by action of the current is almost sure to capsize.
4. Always have a life jacket for each person. Unless you are an excellent swimmer, never enter a small boat without first donning your life jacket.
5. Never wear boots or waders when riding in a boat. When full of water they become dead weight.
6. When fishing from a small boat on a large body of water, ,go ashore immediately when a storm threatens or the wind begins to blow.
7. If caught in storm on open water, run motor at slow speed and angle across the waves. Sit in bottom of boat for better stability.
8. When ocean fishing, stay away from the breaker line!
9. If the boat capsizes, hang on to the overturned boat if possible. It is safer than swimming and an overturned boat is easier to spot by rescuers than a swimming person.
10. Stay away from swimming areas, and don't be an aquatic hot-rodder.

INFORMATION POLICE

The "Information Police" program of July 2 is an action packed drama called "Pursuit." It shows your San Diego Police Department in action and is based on the crime of armed robbery.

The film starts at the scene of a robbery and follows through the various stages of investigation, area search and blockade of the City of San Diego. Training techniques presently employed by law enforcement officers are demonstrated and explained.

Tune in to "Information Police" this Saturday, July 2, 5:30 to 6 p.m., Channel 10, KFSD.

When sickness strikes, remember that skilled nursing care in your home is available through the Visiting Nurses of the Community Chest. The sliding scale of fees per visit is modest, based on your ability to pay.

How to make sure you get the right number

Look it up. Be sure you look up the right number in your directory or Blue Book before you start to dial.

Jot it down. It helps to have the number written down in front of you so you don't forget it while you dial.

Dial the complete number. Be sure you dial the first two letters and the numeral of the prefix, then the other four figures. For example, to call CYpress 5-7599, first dial C-Y-5, then dial 7-5-9-9. Pacific Telephone

PLEDGE OF ALLEGIANCE—Miss Pearl Metcalf, second grade teacher at Loma Portal school, got this story straight from the child's parent:

"Mamma, I pray to the agents every day."

"You what?"

"I pray to the agents every day at school."

"Tell me what you do."

"I stand up and say: "I pray to the agents of the flag of the United States of America andto the republic for which it stands . . . "

AREA MEN SELECTED—Two Point Loma attorneys will hold offices in the Harbor Lions Club next year. They are Wallace D. Dorman, 3361 Wisteria Drive, who will be president, and Roy M. Cleator, 3470 La Cresta Drive, who will serve as secretary-treasurer.

BIRTHPLACE VISITED—Mr. and Mrs. Louis Cappello, 3230 Curtis St., just returned from a 3-weeks vacation trip east. They visited Mr. Cappello's birthplace, Conneaut, Ohio, as well as Chicago, Washington, D. C., Philadelphia and Conshocken, Penn.

CONVENTION BOUND—Seven area members of the American Association of University Women are in Los Angeles to atend the state and national convention of the organization. Mrs. Melvin F. Goodwin, San Diego Chapter president, who lives at 4638 Del Mar Avenue, led the delegation.

Delegates from this area were: Mmes. Thomas Burke, George S. Graves, David H. R. Pain, Edgar N. Sanford, Laurence Wilson and A. W. Withers. The meeting will continue through July 1.

HITHER, THITHER, YON—It was moving day yesterday for Mr. and Mrs. Bill Ralston and their two year old son, Larry, who recently bought a home at 4561 Santa Monica. They have been living in Mission Beach. Point Lomans know "Bill" as their bread man.

Already Mrs. Frank F. Rose has bought the gown she will wear Sept. 17 to the 15th annual banquet of the Portuguese-American Social and Civic Club. It is foam green with a beaded neckline.

DID YOU KNOW—That one of the San Diego aircraft companies entertained out-of-town dignitaries recently, they hired a large sightseeing boat for a tour of the bay? Later they docked at Kona Kai club for a cocktail party in a true atmosphere of the South Sea Islands?

That Shelter Island is attracting more and more boat owners and enthusiasts on week-ends?

HEARD AND LIKED—Your ship is sailing on an even keel if you remember that he who laughs, lasts.

Mrs. Simas Named Center Chairman

Mrs. Manuel Simas was elected general chairman of the Board of Directors of Cardijn Center, Catholic Information Center and lending library, Old Town.

Other officers elected were: Frances Dahm, vice chairman; Mrs. Frank DeMassa, secretary; Francis Davis, treasurer; Mary Ellen Haddock, library supervisor; Frances Dahm, program chairman; Frankie Johnson, finance chairman; Mrs. Guy Maggio, publiciay. Rev. James Anderson is Chaplain.

The following representatives to the Board were named by Catholic Action groups; Young Christian Workers: Girls, Margaret Valderrama; Boys, Tom Garrett; Young Christian Students: Girls, Dolores Esparaza; Boys, Pat Doyle; Christian Family Movement, Al Frederics.

Sunday, July 3, has been designated as "Beggers' Sunday" at Immaculate Conception R. C. church, Old Town, when volunteers will solicit funds fo rthe support of the Library after each Mass.

Air Pollution Lecture July 6

"Air Pollucton Problems in Southern California" will be the lecture topic at San Diego State College's free science lecture series Wednesday, July 6.

Dr. A. J. Haagen-Smith, Professor of Bic-organic Chemistry, California Institute of Technology, will accompany his talk with demonstrations and slides showing the principles of smog formation and its actions.

All of the 18 lectures offered free of charge to the public are held at 7:30 p.m. in Science 101 on the campus. Fo: the remaining four weeks there will be a psychology lecture every Tuesday, physical science on Wednesdays, and biology or zoology on Thursdays. Authorities in their scientific fields ,the lectures will open the programs to a question period.

On Tuesday, July 5, Dr. David A. Grant, Professor of Psychology, University of Wisconsin, will speak on "The Application of Communication Theory to the Analysis of Human Behavior."

VISITORS at the Southern California Exposition and County Fair at Del Mar, which will run through July 4th, have an opportunity to win a free long distance call at the telephone company exhibit. Emma Lee Wells, right, is ready to spin the wheel that will enable a lucky person from the audience to win a free call. She and Ernestine Lotton, left, are long distance operators.

Housing Survey Goes Forward

The San Diego Housing Survey is progressing according to schedule, Dr. J. B. Askew, Director of Public Health, announced today.

According to Dr. Askew, the initial survey has been completed in six city census tracts. About 1,200 dwelling units have been inspected since the survey began last April, he said.

The survey schedule calls for the Department of Public Health to inspect 6,500 houses in 40 selected census tracts during the first year. The information collected during the survey will be used by the Build San Diego Better Committee, a committee appointed by the mayor to study the housing situation in San Diego, and local agencies to develop a program to prevent blight housing areas in the city.

Dr. Askew said, "Home owners and tenants in the areas where the survey has been conducted have been most cooperative." "The greatest problem the sanitarions encounter," he said, "is [illegible] people are often away from home when the sanitarian arrives."

He urged persons who received a notice that a sanitarian had been to their house while they were out, to call the Department of Public Health and make an appointment to have their home inspected.

L. J. Tennis Tourney Set For July 9-17

Over 3,500 entry blanks have now been sent out for the 39th annual La Jolla Open Tennis Championships set for July 9-17 at the La Jolla playground and neighboring courts. The tourney promises to be the biggest in its history with the Coronado tourney not being held this year and the Southern California Public Parks netfest being held a week later than usual.

Three of the playground courts are being resurfaced for the event, which offers a record 32 divisions for all ages including family doubles competitions. Adults will play on the two successive weekends, while juniors from 11-and-under to 18-year divisions will vie from July 11 through 15.

Entry deadline is set for July 2 at 5 p.m. at La oJlla playground. Entry blanks may be obtained at all tennis clubs or by calling GL-4-2071. The tourney is co-sponsored by the City Park and Recreation Department and the La Jolla Tennis Club.

The Department of Motor Vehicles in 1954 revoked the licenses of 13,558 California dricvers.

Camp Cuyamaca To Open July 5 For Series Of 5-Day Sessions

Now that school is out, most youngsters have begun to think of enjoyable ways to spend their vacations. One of the most memorable experiences for a child is the fun of camping.

Camp Cuyamaca, sponsored by the City and County of San Diego and alministered by the San Diego City-County Camp Commission, offers a program that is designed to give each youngster between the ages of eight through 13 an exciting five days of camping.

Open July and August

The camp is open for an eight--week period during the months of July and August. The first session begins Tuesday, July 5, and runs through Saturday, July 9. The remaining seven sessions run from Monday through Friday.

Walter C. Price, the summer director, has many years of experience in camp counseling. his staff of trained senior and junior counselors have been selected for their training, ability, and experience in the field of camping.

who prefer "quiet time" interests. One of the big attractions "monkey" bridge.

The Management Clubs of local aircraft industries are sponsoring the final two sessions which begin on August 15 to 22. Several suburban recreation centers are sending a group of youngsters during some sessions.

Cub Pack Going

During the week of Aug. 1-5, Cub Scouts Pack 555 is sending 25 boys from the Loma Portal area.

Total cost for each sessions is $16.35. This includes $13 camping fees, $2 round trip transportation from San Diego, $1 for health exapination, and 35 cents for insurance. Reservation blanks and further information may be obtained from the Camp Commission Office at 405 Civic Center, or by telephoning BE-9-7561, Extension 521.
